and include the following information for each exam:

- ☺ course department
- ☺ course number

- ☺ instructor(s)

Exams will be emailed to you in PDF format. Please allow up to one business day for our staff to fulfill your request.

*Why don't you have the exam I'm looking for?*

UVic instructors are given the option to provide an exam copy to Zap when they submit their exams for printing through UVic. Because exams are an instructor's own intellectual property, Zap receives exams from UVic on a voluntary basis and at the discretion of the instructor.

*Do the exams include answer keys?*

Generally, no. If an exam has an answer key it will be stated in the exam description.

*How can I tell if the exam is a midterm or final?*

The majority of our exams are finals. To check, refer to the date on the exam. Anything from December, April, or August will be a final.

*Can I still get a printed copy?*

To keep this service free, we are no longer providing printed copies of past exams. If you'd like a printed version, you can always print the PDF at home or in the Zap self-serve.
